

Architectural

Fused glass applications

various designs

GLS is Greek company established in the prefecture of Thessaloniki. It produces tabletop fused glass handcrafts for food service and interior house design products such as mirrors, windows, basins etc.

The long time experience in glass assures products of high quality and durability, while as a family owned company offers value for money products and flexible customer service.

GLS focuses on products with original design while its competitive advantage is the service of tailor - made products.

Some of our customers who trust our products are:

Sofitel Athens Airport, Mitsis Hotel, Hyatt Hotel, Regency Casinos, Starbucks, Grande Bretagne, Costa Navarino, Astir Palace, Hilton Athens, Ledra Mariott, Holiday Inn, Crown Plaza.

The company has the revolutionary possibility of application fusing of safety Safe Glass in all the products that have been ordered according to the European standards.

The manufacture and the disposal of products become under strict controls of quality from the production until final placement or delivery in the customer.

The specialised drawing department of company, processes all drawings, and with the chromatic harmony it guarantees a most excellent result in architectural and special manufactures.
